Auxiliary Work Program

The Durham Rowing Club is a non-profit organization. The club is managed and operated by its members. Executives and directors are unpaid volunteers. Programs and services are funded entirely through membership fees, fundraising proceeds and donations.

There are many things that need to be done in order for the Durham Rowing Club to function and also be a place of enjoyment for all members. Consequently, we expect club members to provide some hours of their personal time to do certain jobs which help the club run smoothly all season long.

As a condition of membership each member is required to deposit a post dated cheque, dated October 16, 2010 made payable to the Durham Rowing Club, in the amount indicated below or by paying the buyout option of $100.00 with their membership fee. Upon completion of their Auxiliary Work Program commitment the member's cheque will be returned. Should the member be unable to fulfill his or her obligation to the Auxiliary Work Program their cheque will be cashed and deposited into the club's fundraising account.

Please note that we will be happy to train you for any job that requires some prior knowledge. We will also be happy to accept the service of a family member or a friend, particularly if that person has certain skills sought after by the club.
